Dear Sparrow,

Thank you for writing to me and sharing your incredible story.

The First Lady and I are inspired how you turned tragedy and loss into an opportunity to help others. Through the work of your organization, you have brought joy and comfort to families bearing the devastating pain of losing a child. Your compassion, generosity, faith, and commitment to service represent the very best of the American Spirit.

We encourage you to keep working hard and growing in your love of God, country, and neighbor. Always remember that there is no limit to what you can accomplish if you dream big and believe in yourself. You are the future of our great Nation. Keep up the great work!

May God bless you and your family.

Sincerely,
